Re: Expat Living Readers' Choice Awards 2023

Dear Mr David Chong & Team at Ken Landscape Services,

Congratulations on being voted among the best businesses in Singapore in the annual Expat Living Readers' Choice Awards 2023!

We received recommendations from over 25,000 readers from 1 January to 15 February 2023, with their votes cast for their favourite businesses across 138 categories. It was an open system, allowing every business a fair chance to be voted – and they chose YOU as one of the best businesses in Singapore!

We're pleased to enclose your award decal and certificate for you to display in your store or office, which states the category you've won in. To view the full list of winners, please visit expatliving.sg/readerschoice.

Please do not hesitate to contact us at 9112 0652 or email us at ELadmin@expatliving.sg should you have any queries.

Congratulations once again – we are proud to count your business as one of our readers' choices!

Yours sincerely,

The Expat Living Team
